As a UK Company which had not been GIPS verified before, we initially found the verification process extremely daunting, but with the Spaulding Groups guidance and step by step process which enabled us to understand and comply with the verification process a lot more efficiently. The Spaulding Groups knowledge and expertise has been of enormous benefit to us a company. We would gladly recommend your services to any institution looking for GIPS verification.

Yours Faithfully,

A handwritten signature in black ink that reads 'David Bourne'.

David Bourne
Head of Client Operations
