**We thoroughly researched the field of firms which offered GIPS verification and support services.**

**The Spaulding Group is our best choice. We have now worked with them for a number of years and have received the highest level of service, expertise and added value. When we were reviewing the field of potential candidates we could have selected a larger firm with larger staff, but discovered that Spaulding offers us a higher level of personal attention and focus. In working with the same knowledgeable verifier on a continuing basis, year after year, the verification process has become very smooth and thorough.**

**We would strongly recommend The Spaulding Group to anyone who is looking to become compliant or be verified.**
